Norvestor has completed the fourth recapitalisation of ELIXIA

ELIXIA Holding II AS, a company owned 57 % by Norvestor IV, L.P., has completed a NOK 977.5 million refinancing of its bank debts. The refinancing includes a new NOK 225 million senior facility to be used to partially repay a shareholder loan.

The transaction was successfully completed on 30 June 2010, with DnBNOR acting as sole agent and lender.

The refinancing comes as a result of the continued strong operational performance of ELIXIA.

Since Norvestor IV, L.P. made its initial investment in August 2006, ELIXIA has grown from 23 to 43 clubs, and revenues have grown from NOK 336 million in 2005 to an expected NOK 880 million in 2010.
